man. When he gives the permission and when there is time, there will be a discussion on it. There is no point in holding the House to ransom like this. Please sit down now. *(Interruptions).*

SHRI PUTTAPAGA RADHAKRISHNA (Andhra Pradesh): Is it all being recorded?

THE DEPUTY CHAIRMAN: I don't think the Reporters can record anything except noise. *(Interruptions).* Yes, what is it?

DR. NAGEN SAIKIA: I want to draw your attention to a. news item---- *(Interruptions).*

THE DEPUTY CHAIRMAN: Let me hear what he is speaking.

SHRI S. S. AHLUWALIA (Bihai) : He is reading a news item. How can you permit him?

THE DEPUTY CHAIRMAN: Don't read anything from the newspaper. I gave my ruling the other day. You must take- permission of the Chairman or my permission if you want to raise any issue in the House. Please don't hold the House to ransom. I am requesting both sides of the House. I do not know what you want to raise. Whatever you want to raise there are rules for that. You don't go beyond rules.

SHRI M. S. GURUPADASWAMY: Madam, on a point of order. You have already given the ruling.

SHRI SYED SIBTEY RAZI (Uttar Pradesh): But there should be a discussion...

SHRI M. S. GURUPADASWAMY: I Jhink you have given the ruling. They are violating your ruling.

SHRI SYED SIBTEY RAZI: Madam, you assure us that th;.e would be a discussion.

SHRI M. S. GURUPADASWAMY: Madam, these people are raising the issue again and agai n.

THE DEPUTY CHAIRMAN: I said, when the discussion takes place — Please sit down ___I gave my ruling that Mr. Anand Sharma and other Members have asked for a discussion and even Mr. Jethmalani agreed for the discussion. When the discussion comes, some Minister from the Government is going to reply to it. Action would be taken if the discussion comes. Then the Minister will reply.

SHRI MADAN BHATIA: Mad?m I am on a different issue altogether. I want a statement from the hon. Home Minister on the issue

THE DEPUTY CHAIRMAN: I have not permitted you, Mr. Bhatia.

SHRI M. S. GURUPADASWAMY: What is all this about? Nobody observes the procedure here. You have given a ruling.

THE DEPUTY CHAIRMAN: That is the most unfortunate part. Nobody observes it. I gave the ruling that when discussion takes place, the Home Minister will reply to it.

SHRI DIPEN GHOSH (West Bengal) : I have a sugestion to make...

SHRI VITHALRAO MADHAVRAO JADHAV (Maharashtta): Madam, it is a very serious matter. It is an anti-national activity. We want that the Home Minister must make a statement, Home Mirister is already here. Let him make some statement ?

SHRI M. S. GURUPADASWAMY: Why are they indulging in such fantastic nonsense ..... *^Interruptions)*

THE DEPUTY CHAIRMAN: Why don't you understand my ruling? When the Chairman gives time for a discussion, it will be discussed in the House. Until and unless the Chairman gives time, we cannot discuss it.

THE MINISTER OF HOME AFFAIRS (SHRI BUTA SINGH): Let me make it clear...

SHRI DIPEN GHOSH: Is he going to make statement on what they have stated? I want to know this. First let him say that.

SHRI KAMAL MORARKA (Rajashthan): On a point of order, Madam.

SHRI M. S. GURUPADA-SWAMY: Madam, then you have to allow me also.

THE DEPUTY CHAIRMAN: But first let me know what he is wanting to say.

SHRI KAMAL MORARKA: He can speak on anything except on the subject on which you have already given the ruling. I hope he is not speaking on Mr. Jethmalani.

SHRI DIPEN GHOSH: You have ruled that out. The Home Minister cannot make a statement until the Chairman or you approve of a discussion on the issue which they have raised. Then alone the Union Home Minister can be asked to make a statement on the issue which you have ruled out and which has not figured in the proceedings.

THE DEPUTY CHAIRMAN: I do not know what he is going to say. He just got up. You first hear what he is going to say and then you can give your opinion.

SHRI DIPEN GHOSH : Whether he wants to make a statement on any other issue, first he must say that. He cannot make a statement on this issue. Let him make a statement on any other issue.

THE DEPUTY CHAIRMAN: How do you pre-empt that he is making a statement...

SHRI M. S. GURUPADA-SWAMY: First let him say whether he wants to make a statement on this issue or any other issue.

डा० रत्नाकर पाण्डेय ...राष्ट्र की एकता और अखंडता को तोडने की ... (व्यवधान) ... सदन में इस पर बहस होनी चाहिए ।

SHRI A. G. KULKARNI (Maharashtra) : Madam, is the Home Minister got empowered to make a *suo motu* observation on anything he likes ? How can anybody object to that? As a Home Minister he has to say whatever he wants to say.

SHRI DIPEN GHOSH: Mad am, the issue does not exist after your ruling. Then how can the Home Minister make a statement on that; ?

SHRI V. GOPALSAMY (Tamil Nadu): He will definitely create some confusion—t hat i s sure... *{Interruptions)...*

SHRI BUTA SINGH : Madam, I am not making any statement.

THE DEPUTY CHAIRMAN: He is not making any statement.

SHRI BUTA SINGH: I am not making any statement, but kindly beaT with us. Having set the ball rolling the honourable Chair has given a ruling in which -she has observed that the honourabb Member's'point has been well-taken

SHRI M. S. GURUPADAS-WAMY: No, no. We have not said it, no.. .*(Interruptions)* . .Why do you put meaning into our statements? • . .*(Interruptions)...*
